Everyone **safely out**

**Emergency
Stairway
Evacuation**

Welcome to Exitmaster

Backed by 25 years of experience, Exitmaster are trusted industry experts who manufacture innovative evacuation chairs and provide the best experience for both operator and passenger.

When lifts can't be used in an emergency, you need Exitmaster evacuation chairs to get **everyone safely out**.

Our models are the **safest**, most **comfortable**, most **ergonomic** and **easy to use** on the market and come with full warranties, training and servicing options.

- ✓ Comply with Fire Safety Regulations
- ✓ Fulfil your Corporate Social Responsibility
- ✓ Provide a dignified and safer evacuation method
